THE PROGRAM

As a part of historic downtown Paducah since 2001, Maiden Alley Cinema has grown to be the region's premiere art house cinema. Featuring films, live music, cult classics, children's programming, lectures, rotating exhibits in the MAC Gallery, Kentucky's second longest running film festival (River's Edge International Film Festival), private events, 48 Hour Film Project and so much more. The programming is always centered on independent film, but through many partnerships MAC has been able to grow and appeal to a wider audience.

Although we charge admission and varied ticket prices for special programs, that income only provides 65% of our annual operating expenses. This is where our annual fundraising events and this membership program kick in to ensure we are a part of Paducah for future generations to enjoy.

ALL MEMBERS RECEIVE

- An Invitation to all PFS Special Events.
- Discounts on PFS Special Event tickets.
- Recognition on MAC website.
- On-Screen Listing before each film.
- Oktoberfest or REIFF t-shirt from past events.
